NAME
Tatishchevo ICBM Complex, Launch Site 77

COUNTRY	GEO COORDINATES	WAC
USSR	51-55N 045-49E	0235

25X1

[Redacted]

25X1

Location: Approximately 18 nm NNE of the complex support facility

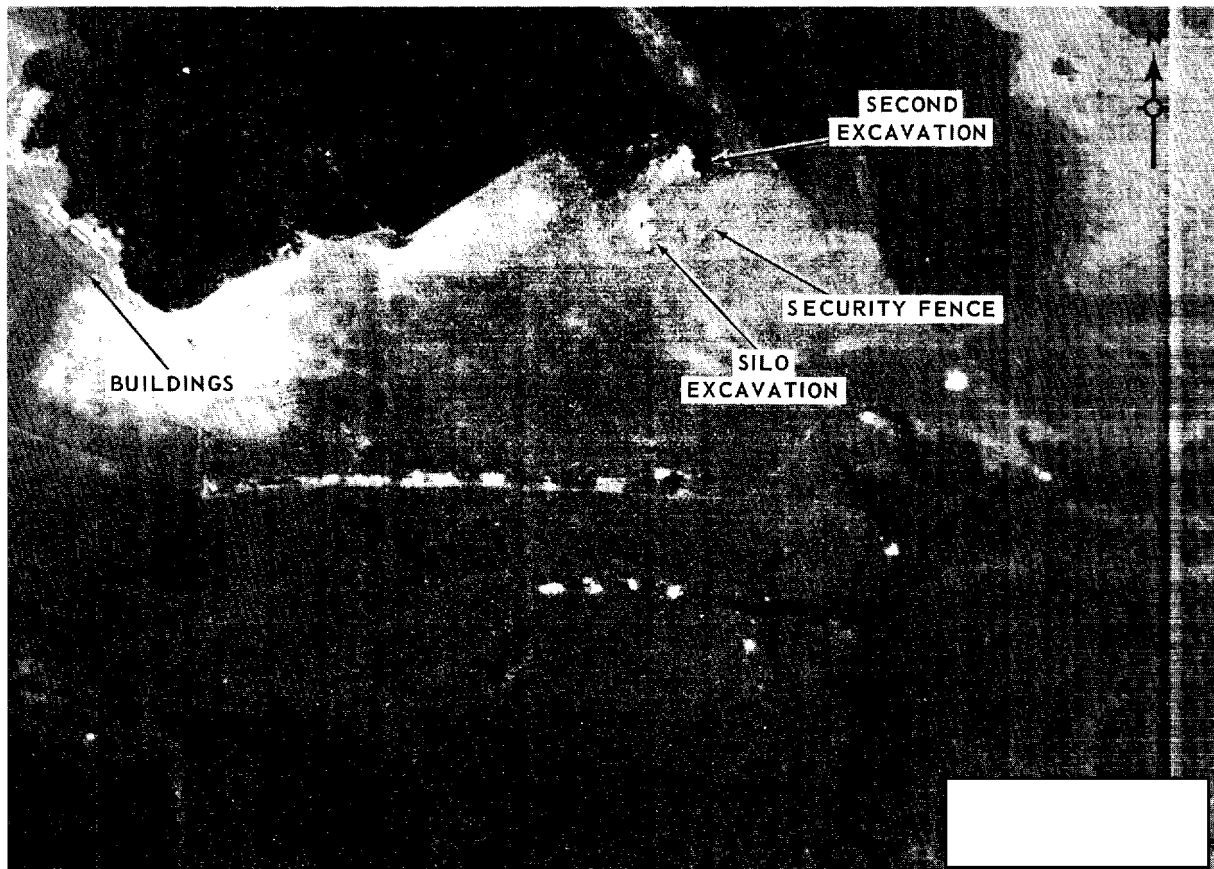

Type: IIID

[Redacted]

25X1

Stage of Construction: Early

The launch site is situated at the S edge of a wooded area and consists of a silo excavation and a partial graded access within a large fenced area. A second excavation appears to be in progress within the secured area. A small, rectangular building is adjacent to each excavation. A group of large buildings on the W edge of the wooded area appears to be associated with the site. Evidence indicates that this site possibly will have a control facility.
